Dear Steve

NHBC Health & Safety Awards May 2010

We are delighted to announce that the student accommodation site at Slade Park was awarded 3 awards at the NHBC Health & Safety Award ceremony last Friday. This is an outstanding achievement and just to put it into context there were literally hundreds of sites that had applied from across the country.

The TA Student Accommodation site was commended in the 'large builder category' and along with other Berkeley companies, St James (Grosvenor Waterside) and Capital (Woodberry Down). The TA student Accommodation site gained the Regional award for 'best large site' in the central region. We were finally presented with the overall accolade of National winner in the Large Builder category for this site.

This is an outstanding achievement which reflects the efforts of all who have worked on this site. Whilst Darren Smith accepted the awards on behalf of Berkeley Homes I would like to thank you for your efforts and contributions which excelled in helping this site win these very prestigious awards.

If you require any further information please do not hesitate to let me know.

Yours sincerely

RICHARD VINCENT
Construction Director
